Banquet Hall & Party Plot HR & Admin Manual

Infinity Bookingz HR & Administration Action Plan

Introduction

Human Resource and Administration management are important pillars of a successful banquet hall and party plot business. Proper HR and admin systems help maintain staff discipline, improve work culture, increase productivity, and ensure smooth daily operations.

A professional HR and administration structure creates:

- Better Staff Coordination
- Operational Discipline
- Improved Customer Service
- Faster Work Execution
- Professional Work Environment

Infinity Bookingz helps manage staff records, attendance, task management, communication, follow-ups, and operational coordination in an organized and professional manner.

This manual contains detailed HR and administration systems and action plans for banquet hall and party plot businesses.

---
